

ALWAYS  
Jack

SUSANNE GERVAY • CATHY WILCOX

Jack's life is pretty good — he has brilliant friends, everyone loves his funny jokes and he's a great inventor. But things are getting complicated. Nanna's older and wobblier, and why does his face now go red when he sees his best friend Anna? And to top it off Mum and Rob's wedding seems to be taking over the world.

Something really scary has also happened to his mum and it's going to take all of Jack's courage to deal with it.

An inspiring and insightful book about the effect of cancer on families.
