

EXPOSITION PROFORMA-

Argument

TASK: Write an argument to persuade an audience to the view that graffiti is not an art form but a form of vandalism.

CHECKLIST

- Does your opening statement state your position and give background information supporting your point of view??
- Is each argument supported by evidence?
- Have you used emotive words eg. worry, problems, etc
- Have you included a variety of verb types?
- Have you used words that link your arguments together? Eg. firstly, therefore, because of...
- Have you included any technical terms?
- In the final stage of your argument, have you reinstated your position and summed up the argument raised?
